

Support Material Annotations

Applicant Name

Program Name: Deadline

Note: This is just an example of what your annotations might look like, you do not need to write them out exactly this way. However, the information below helps give the assessors a clear idea of the work.

Support Material Piece #1 Name

Artist Name

Year Created

Dimensions (for visual art pieces)/duration (for audio or video)/number of pages (for written works including musical scores)

Medium (is it an oil painting, a drawing, a recording, a poem, an excerpt from a novel, etc.?)

Link (for audio or video pieces you can put the streaming link here)

Here is where you can provide a few sentences about what the piece is and why you have included it in your application.

Support Material Piece #2 Name

Artist Name

Year Created

Dimensions/duration/number of pages

Medium

For audio or video pieces you can put the streaming link here

Here is where you can provide a few sentences about what the piece is and why you have included it in your application.

Support Material Piece #3 Name

And so on...
